

Upholstery options

The upholstery vinyl is a heavy duty 34oz. material.

Protected by PERMABLOCK 3®

- PERMABLOCK 3® is a proven vinyl protective coating that is engineered to create a tough, effective barrier against the three biggest problems encountered in today's environment: germs, abrasion and stains.
- Offers superior bacterial protection that the healthcare industry can count on.
- Guards against the surface growth of fungus, mold and mildew spores.
- Keeps its good looks and is highly resistant to microbial deterioration that can cause cracking, splitting and loss of flexibility.

Other colors available on special order.
